

The National Association of
PARTNERS IN EDUCATION
and
The International Partnership Network
Unite to Present a

Global Partnership Summit on Learning, Employability and Citizenship

The Summit will explore worldwide leading-edge policies, strategies, and practices in building partnerships that enhance student success, workforce development, corporate social investment and public sector policies for social inclusion.

Washington, DC, USA
November 20-23, 2002
at the Marriott Wardman Park Hotel

The Summit incorporates
The Nineteenth Annual Symposium on Partnerships in Education and
The Sixth International Partnership Conference
